Description

This shiny and smooth long sleeved PVC shirt is perfect with the PVC pants, designed by the creative Mr. Riegillio.

This shirt features one pocket on the left breast. Check out the entire Mr. Riegillio collection with pants, shorts and even a bow-tie. Although we completely understand you want to have your fetish fashion nice and tight please be aware that PVC is a non-elastic material, which means that once it has been stretched it will not go back to its original finish and shape.

Unlike the pants it's not necessary to get a larger size. Depends on the fit it could be possible to wear it even a size smaller.
